

The ProPay® Payment Network

PROPAY®
A TSYS® Company

The Evolution of Moving Money

The ProPay Payment Network (PPN) is a robust suite of services that enables SaaS platforms to facilitate the movement of money globally between marketplaces, affiliates, consultants and partners with a single point of integration.

Our partners have complete flexibility in how they fund their sub merchants and perform payouts to affiliate partners.

YOU'LL BENEFIT FROM THESE POWERFUL FEATURES:

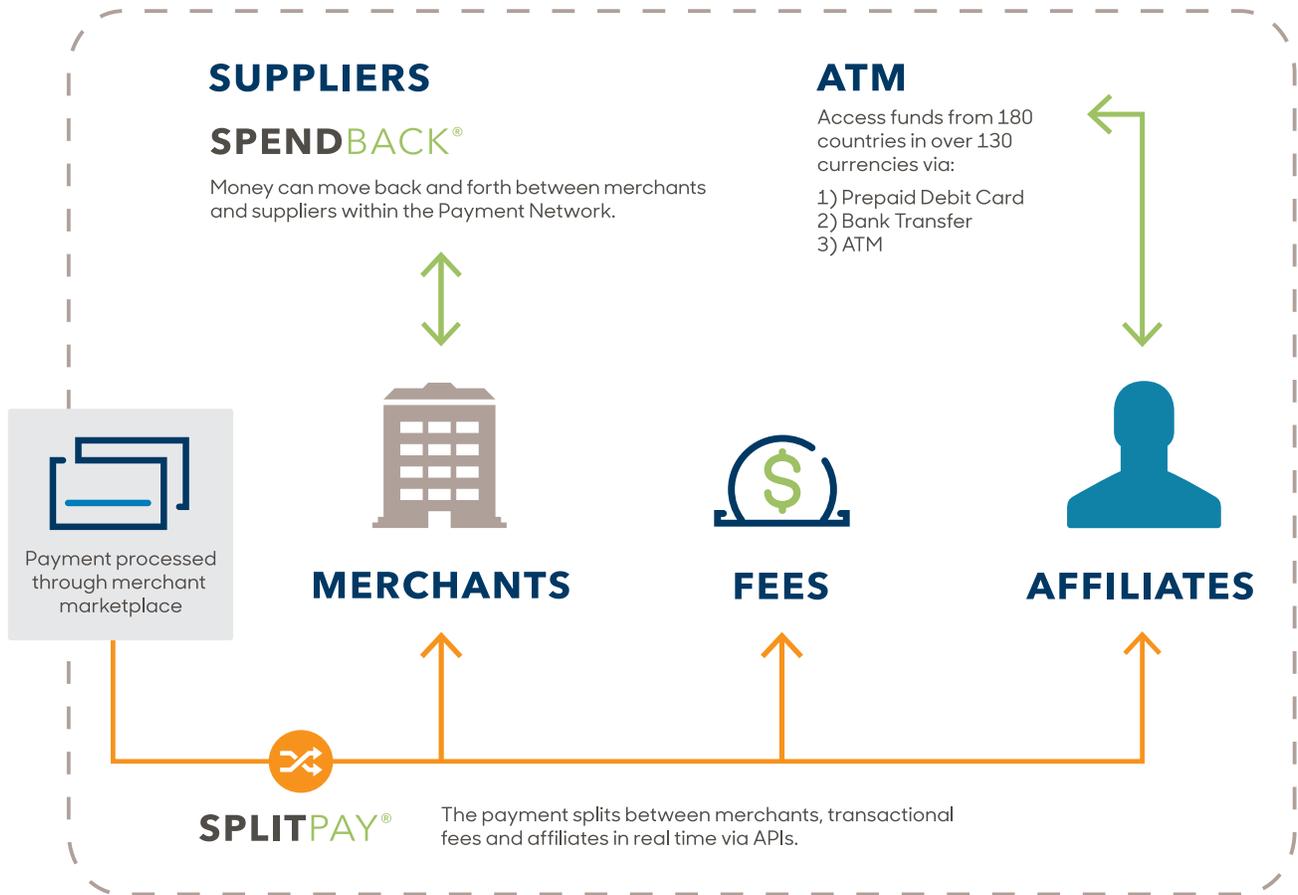

- PCI compliant payment processing designed for SaaS platforms and payment facilitators
- Affiliates get paid how they prefer – global EFT, wire or debit or prepaid card
- Pay corporate commissions quickly with real-time or expedited transfers
- Showcase your brand with our white label web portal option
- Better shopping experience – your customers can pay for goods in their preferred currency
- Pay your vendors and suppliers as part of each transaction
- Global disbursements – available in 130 currencies across 180 countries

Learn more about credit card processing through The ProPay Payment Network.

Lower Your Transaction Costs and Boost Your Bottom Line

Platform Ecosystem:

SPENDBACK®

SpendBack is a payment intranet that lets merchants pay suppliers directly from their ProPay account – decreasing transactional fees and making reordering easy.

SPLITPAY®

Never cut a check or wait for commission runs again. SplitPay divides payments at the time of the transaction, so merchants, suppliers, consultants, partners and affiliates are paid faster – saving you time and money.
