

Corporate Profile

What started as a mission in 1997 to bring real time account setup and secure payment solutions to small businesses, grew into **ProPay®**, powered by **TSYS®**, the only platform that enables global payment processing and disbursements through a single partner.

Companies look to ProPay for innovative payment processing solutions that fit the way they do business. As a leader in data security, ProPay's ProtectPay® environment helps reduce risk and ProPay's Global Commission and Disbursement. ProPay's Global Commission and Disbursement platform provides the ability to pay distributors, merchants and sales reps in 180-plus countries and regions.
