Innovative Payment Solutions Any Way You Do Business.

Merchant Account

PROPAY®

A TSYS® Company

Designed with the needs of your small business in mind, ProPay® provides simple, secure and affordable payment solutions.

Setting up a ProPay Merchant Account is easy. Start accepting credit cards from your smartphone, tablet or desktop. We can also help with e-commerce integration, allowing your customers to purchase directly from your website.

Enjoy the benefits of setting up a ProPay Merchant Account:

- **Credit Card Processing and Mobile Payments** – With ProPay JAK™ and ProPay App, securely process credit and debit cards in real-time on your Apple® iOS or Android™ mobile device.

- **Access Funds with Ease** – Get a custom-branded prepaid card to access your ProPay account at over 1.5 million ATMs worldwide, or wherever Debit Mastercard® is accepted.

- **Payment Security** – Protect cardholder data and reduce risk with ProtectPay®, ProPay's powerful, end-to-end encryption and tokenization service.

- **Multi-Level Login** – Permit employees or coworkers to process payments on your account by assigning login credentials and processing rights to them.

- **Live Customer Service** – ProPay offers free U.S.-based customer service.

- **Competitive Rates** – Get competitive rates, regardless of the type of card being processed.

Accept Credit Cards Anytime, Anywhere

Online Virtual Terminal

Process credit card payments on your desktop or anywhere you have internet access.

ProPay JAK

Mobile credit card reader connects to most smartphones and tablets, lets you process anywhere, anytime.

ProPay App

Use the App to process credit cards, transfer funds, view transactions and more.

Text/Email Invoicing

Send your customers a text or email invoice with a secure payment link.

Stored Cards

Securely store customer cards in our ProtectPay vault for future or repeat purchases.

ProPay to ProPay

Transfer funds between two separate ProPay merchant accounts without paying bank transfer fees.

Buy/Donate Now Buttons

Add a secure Buy/Donate Now button to any webpage, email or social media page to accept payments and donations.

Shopping Cart

Add shopping cart functionality to integrate payments into your website.

Phone Processing

Process credit cards through a touch-tone telephone.

YOUR LONG-TERM BUSINESS PARTNER, NOT SIMPLY YOUR PROCESSOR.

At ProPay, we're experts at navigating the payment waters. Our team has decades of experience with API-based payment solutions. We'll work with you to choose and understand the options that best fit your business.
